## FARMER AL FALFA'S EGG-CITEMENT.

PARAMOUNT-BRAY

EXTRA

"Eggcitement on Alfalfa's Farm" is a story about a wayward duck who bursts all records for laying eggs where they are not wanted. Alfalfa posts a notice commanding his fowl to stop laying promiscuously about the farm and confine the efforts to the nests, but the duck has ideas of her own and just for spite, lays one on the ground before your very eyes. Shen then flies to the tree-top and as the farmer approaches, she drops another on the old gent's head and makes her exit before we see her. The old man after a weary chase falls asleep and our little outlaw friend lays a few more in his beard. Upon his awakening he finds the mess and questions the feathered tribe as to who committed the crime, but they all plead innocent. To settle the question, he smashes an egg to see what it contains; but to the astonishment of all a little ~~egg~~<sup>chicken</sup> comes popping out, causing great fright and they all take to the tall timbers.
